

Zeph Smith - Zeph.Smith@slcc.edu

Teaching load: F – 22 cr; Sp - 22 cr; Su - 11 cr

Service:

Hiring committee for math department

Tenure committee

Course leader – 1050, online 1060

Book committee – 1010 (chair), 2250

Finals review committee – 1050

Mentor – Aurora Jensen, Bruce Christiansen, Ping Yu

Professional Development / Goals:

Faculty Association Member; I will continue to read modern mathematical textbooks to gain insights into alternative teaching styles and methods as well as other examples of how community college level mathematics is used in everyday life; I will teach a class in the new canvas environment; I will continue to evolve my gradebook to give students access to their grade during the semester; I will continue to adapt online homework methods to better prepare students to succeed with mathematics; I will set up a professional ePortfolio on Weebly; I will maintain a class website on Weebly.
